

Memorial Prayer

We give thanks to God for these people whom we have long loved and now have seemingly lost for a while. Keep in our hearts and minds their lives that were dear to us; their names that are so precious. May all that was good in their lives; their many acts of courage, their innocence and their faithfulness continue to bring good now that they are gone.

We remember them in this moment and honor and give thanks for their presence on earth.

Spirit of the Living God walk among us and fill our saddened hearts with love and goodness. Replace our sorrow with compassion and our frustration with forgiveness our grief with joy.

As we join hands with the living, keep us aware of the unseen witnesses, who join us here. Sustain their families and friends with the comfort of your presence, the fearlessness of faith and the wisdom of those who have left us.

Amen

Burials

As a mother comforts her child,
so, you comfort us, O God;
you shall be comforted in Jerusalem;
as a father has compassion for his children,
so the Lord is compassionate and merciful.
(Psalm 103:13 & Isaiah 66:13)

Friends in Christ,

3 John 1:13-14 I have much to write to you, but I would rather not write with pen and ink; instead I hope to see you soon, and we will talk together face to face.

I don't read the 3rd book of John very often, but Paul's words here express my desire.

I long that we would see each other soon and talk together face to face. We live in hope.

Much has been spoken and written about 2020. Here is my summary of the year.

We began January and February much like other years with four annual meetings and an all-pastoral charge meeting February 19. A week later, February 26, I hosted a congregational conversation, the intent of which was to open up a time of dreaming and envisioning about where we might be heading in the coming years. We were planning to hold a number of small group table conversations in the coming weeks and then hold a wrap up conversation in May.

The world had other plans.

March 15, we closed our buildings because of the COVID-19 pandemic.

Quickly we established an online worship resource with significant technical contributions from Dick Prince, Svinda Heinrichs and later Brian Peterson.

I called together a leadership team to meet online (Zoom) with representatives from worship committee, M&P, the Charge chair, and our technical team. Our charge treasurer, Elaine Hare, worked faithfully and extensively in the background by attending all the UCC online webinars re: finances and ways to receive financial assistance if necessary. She filled out forms and kept us abreast of an ever-evolving situation.

The leadership team also quickly set up a phone tree system and buddy system (for those who wished) in order to make sure we were staying in touch with everyone.

Worship evolved throughout the year with online worship resources, outdoors services and eventually limited in-person gathering at two of our church buildings, St Andrew's Bethel in Maynooth, and St Paul and St James in Madawaska. Our Protocols Team established safety protocols using public health guidelines, including masking, physical distancing and sanitation. Our protocols team included a representative from each church, Sharon Watson, Catherine Khan, Rachel McRae and Carol Peterson.

Some version of the online worship resource continued to remain in place even after we moved back into the buildings in a limited way at Thanksgiving. On December 26, we returned to a full public health lock down across the

province during the second wave of the pandemic and closed our buildings again.

On September 10th we managed to have an in-person charge meeting, masked and physically distanced, in the St. Andrew's Bethel Church. At that meeting the charge formally endorsed the decision-making authority of the pandemic Leadership Team with the inclusion of our charge treasurer.

The pandemic Leadership Team members are, Margaret Canning, Elaine Hare, Svinda Heinrichs, Erin Morlock, Doris Hollingsworth, Carol Peterson, Dick Prince, Jean Jessup, and myself.

A quick update about Cathedral of the Trees.

We were ready to move CotT into Algonquin Park again in 2020, but all of that was cancelled. We met once at St. Brigid's Day, before the pandemic and then unofficially with a limited number of people at the summer solstice (limit of 10). MMPC and CotT, hosted an outdoor Live Nativity with small social bubbles, over two days, December 19 and 20. 82 people besides the cast enjoyed the Christmas story complete with donkeys and goats. The pictures and video of the event reached many more people. Svinda and I continue our participation in the North American Wild Church network and hosted one of their monthly webinars.

Continuing Education this year included the Festival of Homiletics because it moved online as well as multiple webinars re: adjusting to and coping with the pandemic and what that means for being church. Julian of Norwich became an important resource for me because of her own experience with devastating plagues. She is well known for saying, "All will be well and all shall be well and all manner of things shall be well." She knew that of which she spoke.

Above, I have summarized the practical steps that were taken to cope with the pandemic. I found it difficult, even slightly painful, initially, to go back over the calendar to remind myself of events and dates. It was a very difficult year on many levels for all of us as we were forced to adapt so radically to circumstances beyond our control.

And yet, we were never alone. We live in God's world as the United Church creed reminds us. And God is with us. We are not alone. The radical pandemic public health guidelines that eliminated most public gatherings and limited all others, made us quickly realize that though we needed to remain physically distant from each other there were important and critical ways that we needed to remain socially and spiritually connected.

All of our efforts at remaining "church" while apart, went into recognizing ways that we could still nurture our faith, encourage each other, grow

spiritually and assist others in this unprecedented challenge (at least unprecedented in our lifetime).

I'm going to name five things that happened for us during this time.

1. We discovered or rediscovered the strength of our resilience and adaptability with God's help.

2. We became aware of new ways to assist and rely on our neighbours and friends for grocery deliveries, phone calls and other assistance.

3. The church walls are more porous. The move to online worship (and outdoor worship) allows "us" to include folks who wouldn't normally enter the buildings for spiritual nurture and worship.

4. We have a new awareness of ways that we are part of the rest of the world. The pandemic erased borders. By extension, we became more aware than ever that racial justice is a global affair, and we have a small and essential part to play in this bigger story. This awareness led us to state our solidarity with the Black Lives Matter movement by putting BLM signs and United Against Racism signs in front of the church and the manse. When the signs were defaced with racist, anti-Semitic and homophobic symbols, we chose as a church to engage with one of our local municipalities on this matter. We asked for a response to racism in our community. In a delegation to Hastings Highlands municipality, led by Erin Morlock and myself, we asked for a Diversity and Inclusion Committee.

5. We could dream new dreams about what worship might be like.

Ironically, the changes among us because of the pandemic were probably more radical than anything we would have dreamed up in a visioning process. The Spirit of God often works like that. I imagine She laughs at our "best laid plans." In the late fall of 2020, on an unusually warm day a number of us gathered physically distanced on the deck of the Hay Lake lodge and dreamed of what worship might be like in the new year since everything had already been tossed up in the air. In that meeting and subsequent conversations, we laid the foundation for our "new church for a new year" worship series. I'll say more about that experiment in my 2021 report. We had been hoping it would be in-person but alas after the December 26 lock down we moved it online to Zoom.

As I summarize our year together in this report, I pray that we will know ourselves

more deeply loved by God than ever,

comforted in our loneliness,

encouraged by our resilience

more aware of our local and global neighbours, their needs and struggles, and more open to all that the Spirit can and will do among us.

We are not alone. We live in God's world...

In life, in death, in life beyond death,

*God is with us.
We are not alone.
Thanks be to God.*

*In Christ,
Rev. Marilyn Zehr*

Maynooth-Madawaska Pastoral Charge - 2020 Chair Report

It has been a stressful year with COVID fear, lockdowns, and racial turmoil. The challenges of the pandemic became our motivation to try new ways to continue as a church, by shifting worship online, having zoom meetings and creating phone trees to keep everyone connected.

Along with the United Church's restructuring over a year ago and the pandemic this year, the massive changes should have put us in despair, but we have survived with the talents of our minister, the technology team and the leadership team.

New traditions had to be created for some special seasons on our church calendar such as during Lent and Advent. During Lent and Easter when we were thinking of the resurrection and rebirth we were blessed with an early spring and the rebirth of spring growth. Virtual communion was celebrated in our homes at Easter. The singing of Christmas carols was the hardest to give up and no Christmas Eve service. But Reverend Marilyn and Rev. Svinda's new tradition of holding an outdoor socially distance live nativity event was a meaningful way to celebrate the birth of the baby Jesus.

Even as we reopen our church, wearing masks, distancing and no singing, we're looking for a new style of in-person worship. Therefore under the leadership of a dedicated planning team we started a new pattern of worship called the new church for a new year in 2021. Sadly another lockdown in January forced these in-person worship services to happen on zoom with scripture discussions. Way to go team. I believe that God will lead us into the future with a much stronger faith.

We are clearly a charge united in spirit and with our dedicated minister to lead us we will travel into a better world!

*Jean Jessup
2020 Chair*

Worship Committee

Members: Doris Hollingsworth & Margaret Canning (Co-Chairs), Rev. Marilyn Zehr, Carol Peterson, Jean Jessup, Dorothy Wilson, Erin Morlock, Annie Murphy, Rose Card, Sheila Stringer

January and February: services were presented in what had become our normal fashion with Rev. Marilyn Zehr responsible for the first and fourth Sundays of each month and the Worship Committee arranging other services. Linda Crick, Russell Grant and Erin Morlock provided these other services. During this time, the new sound system in Maynooth was installed and used for the first time.

With the advent of COVID 19 restrictions in March, our churches closed their doors, but worship continued with online resources available each Sunday and phone trees established in each congregation to help keep us all involved and in touch. The Worship Committee functioned as a part of the Leadership Team established to guide the Charge and we proceeded with Lenten themes, Easter celebrations and wonderful outdoor services at the home of Catherine Khan which were blessed by favourable weather. Dick Prince and Rev. Svinda Heinrichs provided most of the technical knowledge to allow us to attend some of these services through livestreaming to Facebook. During this time online resources were also provided by Rev. Marilyn, Erin Morlock, Rev. Svinda, Jon Williams and Wendy Lavalley.

Return to in-person church services began with Thanksgiving. Two venues only were utilized – Maynooth at 9:30 and Madawaska at 11:30 – because only these two could provide adequate distancing. Until services ceased after the wonderful outdoor Nativity event at the home of the reverends Marilyn and Svinda, full services were also provided online for those not able to attend. The Nativity was also provided online.

It has been a tumultuous year and one filled with extraordinary amounts of work and learning by all those involved in keeping our Charge alive and in touch with each other.

*Respectfully submitted,
Margaret Canning, Co-chair*

Ministry and Personnel

The Ministry and Personnel Committee members were hoping to keep our minister's hours consistent with her half-time position this year, but no such luck. Once the pandemic set in, her position became more of a full-time job with learning all the technology required to continue her ministry online and organize meetings on ZOOM.

Rev. Marilyn also found that the devastation she felt at not being able to fully respond to the suffering of any of her congregation's losses, was very stressful. Therefore the support of the newly formed 'Leadership Team' was a great asset to her well-being.

Rev. Marilyn's appointment to be officially welcomed into the United Church of Canada was finally accomplished in the fall. Also the charge renewed Rev. Marilyn's re-appointment to the Maynooth-Madawaska Communities of Faith for another year.

The M&P Committee would like to thank all our volunteers, our pulpit suppliers, treasurers, committee members, bulletin secretary, editor and writers for the "News from the Pews".

A special thanks to the talents of our musicians, even if we can only hum behind our masks.

Committee Members: Whitney- Erin Morlock; Maynooth- May Allison; Madawaska- Jean Jessup; Lake St. Peter- Sheila Stringer.

Prayer Shawl Ministry

As always, a HUGE THANK-YOU to all who supported the Prayer Shawl Ministry by donating money to keep this very special ministry going. Your support means a lot.

In 2020 there were 2 adult and 0 youth shawls given out, making the totals 488 adult and 40 youth.

I always have shawls on hand, unless there is a lot go out in a very short period. It is very important for anyone knowing of someone needing a prayer shawl to please let myself or Marilyn know so we can get one to either you or them. Thank you.

The response – from tears when they get it because someone cared, to a phone call after they've had it awhile saying it brightened a bad day – is heartwarming.

Knowing it brings joy, comfort or whatever is needed to someone makes it worthwhile. I enjoy knitting them.

The reasons they're given out are varied:

- ✝ Brides*
- ✝ Babies being baptized*
- ✝ Preemies*
- ✝ Special birthdays*
- ✝ Saying a special thank-you*
- ✝ People in need of prayers for whatever reason*
- ✝ Cancer*
- ✝ Other health reasons*
- ✝ Loss of a loved one*
- ✝ To cheer someone up*
- ✝ To let someone know they're loved and in our thoughts*
- ✝ If they're going through hard times for whatever reason*
- ✝ Depression*
- ✝ Sons gone overseas to Afghanistan*
- ✝ Comfort because a loved one is suffering from illness.*

Once again, thanks for all your support.

Marlene Lavalley*

Cathedral of the Trees

Where we've been.

We've been here. At home. Navigating COVID - now in a significant 3rd wave in Ontario - April 2021 – officially under a “stay at home” order.

And we miss you. Cathedral of the Trees should have been one of the places to gather safely and yet the gathering limits moved like an accordion from 5 to 25 to 50 outdoors and back down to 5 again and now only members of your own household.

A key component of our gatherings was the shared meal after the outdoor ceremony in a small cabin where we could get warm by the fire during the seven months of the year here that it is too cold to stay outside for long. Shared meals especially in small spaces were not possible during COVID.

So what did we do?

We posted a few worship resources.

We had a small summer solstice gathering – outdoors – BYOE, (bring your own everything).

We had an outdoor Live Nativity at Christmas with 8 performances for physically distanced social bubbles.

Brigid came to us February 1 in poetry.

The birds of spring call to us now and remind us what matters.

And as a major aside we have been building a home (for a little longer than COVID) for ourselves and whoever needs to be here to enjoy the fruits of the Land and her healing ways.

We are tired, and at the same time revived by the early spring thaw.

The earth reminds us of the rhythms of birth, growth, sometimes disease, death and re-birth. Mama Pine's steady gaze grants us perspective.

Grandma Oak's slow demise reminds us that nothing lasts in this form forever.

Our miniature donkeys, goats and barn cats remind us that there will always be tasks of the day that need tending.

The maple trees gave their sap for syrup and we remember how generous the world is.

Within all this, we try to live gratefully, even if weary, and will try to keep you posted about the next time we will be gathering safely.

In the meantime, may the earth be your companion as she always is ours and may she bring you comfort, inspiration, healing and rejuvenation.

And may the Spirit sustain you and surprise you and bring you to our space one day soon.

Maynooth and Area Food Bank

We are pleased to report that our Foodbank was open all during the year 2020 in spite of the pandemic. To follow Covid Safety Protocols there was only 2 people working, they bagged up groceries & sat them outside for clients as they arrived. No one entered the building, everyone kept social distance & wore masks. We did not have any staff meetings during the year.

We also participated in the Christmas hampers & gift giving to all the Foodbank clients.

Hoping we can resume our usual activities in the near future.

Special thanks to Charlie Foster for the donations of turkeys at Christmas.

St. Paul's U.C.W, Lake St. Peter

Our U.C.W. is made up of 14 members. We meet in the church basement on the second Wednesday of each month from September through June.

Our members share devotion and lunch each month; in December we have a Christmas dinner out and we also have a gift exchange; we also have a potluck or go out when we close in June.

All this changed in 2020, we had our last meeting in March 2020 due to COVID. I am sad that we are unable to meet to plan and share ideas for 2021; we always had lively input from our members and lots of laughter.

As we progress into 2021, I do hope and pray for change in our current time. please stay safe and trust in God for there is light at the end of the tunnel. I miss you all.

St. Paul & St. James U.C.W., Madawaska

Our U.C.W members started out in January 2020 with hopeful hearts and looking forward to another year of supporting our church and charities. In February, preparations and duties were assigned for our annual roast beef supper and raffle draw. Sadly all came to a crashing halt with the arrival of the COVID pandemic in March and the shutdown of all non-essential businesses and events.

We had a short meeting in the fellowship room in November to make new annual donations to the Mission and Service Fund and the St. Francis Valley Healthcare Foundation. Then a few of the members did the church decorating for the Advent season. Our seven members are praying for a better 2021.

Our 2021 Executive: President: Jean Jessup; Secretary: Rose Jessup; Treasurer: Elaine Hare
